

The Doughnut King
Had a Donut Queen
She was really mean
Witch was why he loved her
He had a donut
Friend who was known
As
Sir Donut
All the Donut people were
Holy
Except the jammy ones
The dodged about
Joking and squirting
The Donut King

Had a fling

With a holy sugar

Darling

His Queen found out

And had a holy hissy

Fit

For a Donut Queen

The Donut King flung the

Fling

And all became

Peace and Love
